WELCOME

KAREN WEBB MOSS
BRITISH SWIMMING CHAIR

Warm greetings from us all at British Swimming.

We are delighted to welcome you to Aberdeen for this Citi Para Swimming World Series event, which doubles as our British Para-Swimming International Winter Meet. We are privileged to welcome athletes, staff and supporters from around the world.

This meet is a crucial competition opportunity for those athletes looking to make the GB team that will compete at this year's Paralympic Games, taking place in Paris this summer.

Throughout this meet, we have the opportunity to watch some of our reigning Paralympic and

world champions compete alongside some of the up-and-coming athletes breaking onto the scene.

The best of British to our athletes! We hope you relish the challenge of international competition and know that we are right behind you and cheering you on.

Our thanks to our hosts, our friends at World Para Swimming, to the workforce and volunteers and to the outstanding support of The National Lottery, Lottery players, UK Sport, Speedo, Lebara, Healthspan and SOS.

Thank you.

CRAIG NICHOLSON
HEAD OF WORLD PARA SWIMMING

Great Britain is the first stop of the 2024 Citi Para Swimming World Series. It is already a well-established competition having been involved since the inception of the Series.

It has become a regular stop for athletes from across all continents to access high level racing opportunities.

It's great to see the competition back at Aberdeen Sports Village this year. I am looking forward to seeing some exciting racing and new talent emerging ahead of the Madeira 2024 Para Swimming European Open Championships and of course Paris 2024 Paralympic Games.

I wish all the athletes and teams the best of luck.

SPECTATOR INFORMATION

Welcome to Aberdeen Aquatics Centre

Aberdeen Aquatics Centre is a leisure centre that opened in 2014 following a 2 ½ year construction as an expansion of the existing Aberdeen Sports Village. The complex contains a 50m competition pool that allows the seating of just under 500 spectators and a 25m Diving Pool with diving boards reaching the heights of 10m. The venue also consists of a sauna, steam room and, exercise rooms. Prior to the Aquatics Centre opening to the public it held the 2014 Commonwealth Water Polo Championships and currently plays host to the yearly Gowlands Cup underwater hockey tournament.

SUSTAINABILITY

Your contribution to making the Citi Para Swimming World Series inc. British Para-Swimming International Winter Meet a more sustainable event

- Use public transport or active travel options where possible, to help reduce carbon emissions.
- Bring a reusable water bottle and fill it up for free at one of the water refill stations located within the venue. Reusable British Swimming water bottles are also available to purchase from the Front of House desk for £7.00.
- Help us reduce waste – either take your waste home or separate and recycle where you can, including at the recycling points within the venue.
- By accessing this programme digitally via the QR code, you have contributed to reducing the need for printing at this event.

LOST AND FOUND

If you lose something during your visit to the Citi Para Swimming World Series inc. British Para-Swimming International Winter Meet, please head to the Front of House desk where a member of staff will let you know if your item has been handed in.

HUMPHREYS HIGHLIGHT ESSENTIAL EQUIPMENT

For World Braille Day 2024, Scarlett and Eliza Humphrey discussed what it's like to be a visually impaired athlete, and the equipment they use in the S11 class to help them perform at their best.

In the S11 classification you're required to race in blackout goggles - do you train in them too?

Scarlett: We train in the goggles and race in them. For us, because we've lost all of our sight, it doesn't make any difference training in clear or blackened goggles but we've decided to train and race in them [blackout goggles] so there's no confusion - I don't actually own a clear pair of goggles anymore.

Eliza: It means when we pick them out our kitbag we know they're blackened goggles and we can't then get confused in packing for competitions.

With visual impairments within the classifications on a spectrum, do the goggles change anything you personally would be able to see?

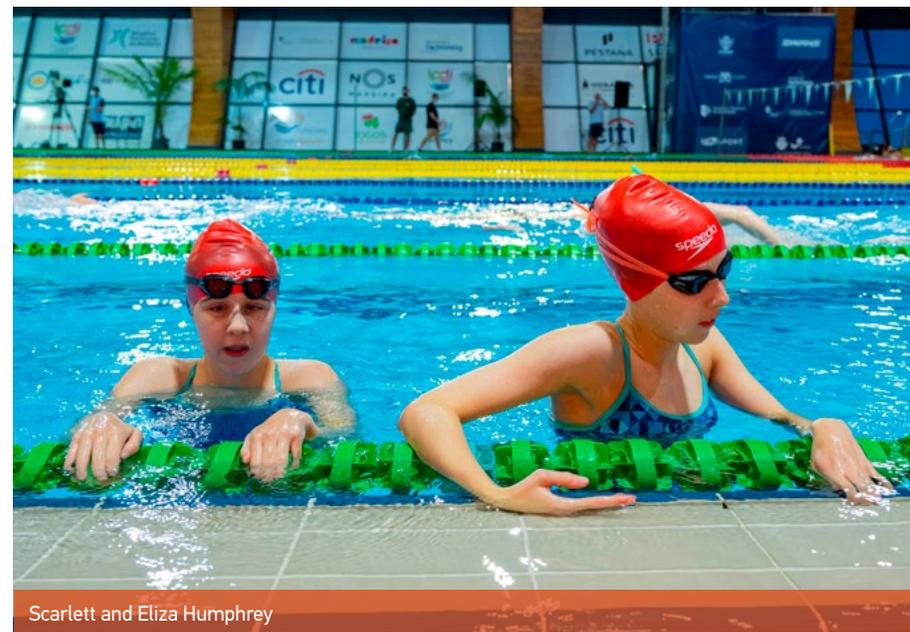

Eliza: When I first became an S11, I had some light perception so I could notice a change when I put the goggles on, but as my sight deteriorated further I can't tell if they are on or off [visually] so everything is just black.

Scarlett: I actually found as my sight deteriorated that they helped, as when I did start further losing my sight, the light would distract me and the glare from the water would be quite disorienting.

So for others we compete against it may help take away that glare factor, but having the blackened goggles in our classification means even if the ability of light perception differs it creates a level playing field - nobody is getting an advantage from how much they can see and it's all about who swims best on the day.

What cues do you use when swimming to help you track your progress up and down each length?

Eliza: At the end of the lane we have people with a long stick and a tennis ball on the end and they are called tappers. They tap us on the back or on the head, and tell us how many strokes we are out from the wall - so I choose to have mine two strokes out for front crawl

(freestyle) and I get that information from the tapper to tell me I'm coming into the wall for a turn or finish.

Scarlett: And then when swimming in the lane we'll use the lane ropes to navigate. Ideally you don't want to be too close that you're on top of it, but you might find yourself tapping it with your hand every now and again as it's a fine balance.

You can sort of feel the water coming back off the rope to you, so maybe half a stroke away from the lane rope and you use that to keep you in as straight a line as possible. If you can stay in a straight line then you can also count your strokes to help you know where exactly you are spatially in the lane on each length.

What's one thing you wish people knew about para-swimming?

Scarlett: I'd say we put the same amount of hours into training and the same required intensity required in training as the Olympic swimmers. So no matter whether you're training with the dream of going to either of the Games it's the same effort that goes into the achievements that para-swimmers get.

Eliza: I'd agree, and also I think para-swimming is equally as exciting to watch with lots of close finishing races. We work hard to get our results and strive for ultimately being on the podium.

FUEL MY FRIDAY

Each week, a British Swimming athlete provides a recipe they use to keep them fuelled up for training as part of our Fuel My Friday series.

This tasty #FuelMyFriday recipe comes to the table courtesy of Paralympic champion Jordan Catchpole! Will you be giving his favourite sweet chilli chicken stir fry a go?

INGREDIENTS

#FUELMYFRIDAY

SERVES 2
1 CARROT
1 RED PEPPER
2-3 GARLIC CLOVES
2-3 CHICKEN BREASTS
200G EGG NOODLES
JUICE OF 1 LIME
SPRING ONION, TO GARNISH
SWEET CHILLI SAUCE

METHOD

#FUELMYFRIDAY

CUT YOUR CHICKEN BREASTS INTO THIN SLICES AND SEASON WITH SALT, PEPPER AND YOUR FAVOURITE SEASONINGS
SLICE THE RED PEPPER INTO THIN, EQUAL STRIPS AND SET ASIDE, USE A PEELER TO GET SUPER-THIN STRIPS OF CARROT
FINELY SLICE YOUR GARLIC CLOVES AND SET ASIDE
ADD THE CHICKEN TO AN OILED WOK OVER A MEDIUM HEAT, FRY FOR A FEW MINUTES UNTIL COLOURED, ADD IN YOUR VEG AND GARLIC AND CONTINUE TO COOK THROUGH
ONCE CHICKEN IS COOKED THROUGH, ADD IN YOUR EGG NOODLES AND HEAT THESE THROUGH AS PER PACKET INSTRUCTIONS
FOR THE FINAL 1-2 MINUTES, STIR THROUGH THE SWEET CHILLI SAUCE TO COMBINE
SERVE IMMEDIATELY, AND GARNISH WITH A SQUEEZE OF LIME JUICE AND ROUGHLY SLICED SPRING ONION

EXPLANATION OF CLASSIFICATION

Para-Swimming classification was established to safeguard a level playing field within competitive Para-Swimming. There are 14 Sport Classes eligible to compete at the Citi Para Swimming World Series inc. British Para-Swimming International Winter Meet 2024. Athletes are classified into these based on their degree of ability through either physical, visual or intellectual impairment.

Prefixes are used to acknowledge the nature of an athlete's impairment may mean they have more ability to swim one stroke than another.

- S = represents classification in freestyle, backstroke and butterfly events (i.e., S3)
- SB = represents classification in breaststroke events (i.e., SB3)
- SM = represents classification in individual medley events (i.e., SM3)

PARA-SWIMMING IMPAIRMENT EXPLANATION

Physical Impairment

Physically impaired athletes are categorised in Sport Classes between S1 and S10 depending on their type of impairment related to their functional mobility.

Visually Impaired Impairment

Visually impaired athletes range from blind to visually impaired. The Sport Classes are S11 - S13.

Intellectual Impairment

All intellectually impaired athletes are in the S14 Sport Class.

These athletes find it hard to understand and apply training techniques and competition strategies, especially in busy competition venues.

Find further information on Sport Classes, including an explanation on each individual Sport Class, within Para-Swimming [HERE](#)

MULTI-CLASSIFICATION RACES

Multi-classification (MC) races involve para-swimmers competing against rivals from different classifications. The positions are scored via a points system.

BRITISH PARA-SWIMMING POINTS SYSTEM

The British Para-Swimming Points System, which is being used for this event, scores points based on how close they are to the existing British record of their respective Sport Class. The higher the points the nearer an athlete is therefore, positions are determined based on relative performance rather than time. The athlete who touches first may not be the winner of the heat or final.

PARA SWIMMING RELAY EXPLANATION

20 Point Relay (4 x 100m Freestyle and 4 x 100m Medley)

- Consists of four athletes whose combined class numbers cannot exceed twenty points
- The team could be made of many combinations, including the following examples:
 1. S4 + S5 + S5 + S6 = 20 points
 2. S5 + S5 + S5 + S5 = 20 points

34 Point Relay (4 x 100m Freestyle and 4 x 100m Medley)

- Consists of four athletes whose combined sport class numbers cannot exceed thirty-four points
- The team could be made of many combinations, including the following examples:
 1. S7 + S8 + S9 + S10 = 34 points
 2. S8 + S8 + S8 + S8 = 34 points

49 Point Relay (4 x 100m Freestyle)

- Consists of four visually impaired athletes whose combined class numbers cannot exceed forty-nine points
- The team could be made of many combinations, including the following examples:
 1. S11 + S12 + S13 + S13 = 49 points
 2. S12 + S12 + S12 + S13 = 49 points

S14 Relay (4 x 100m Freestyle)

- Consists of four athletes. All have an intellectual impairment (S14 Sport Class).

DISABILITY SWIMMING OPPORTUNITIES IN ABERDEEN

LEARN TO SWIM

Provides the opportunity for Children aged 4 – 12 years of age to partake in individual, partially or fully integrated swimming lessons. These are suitable for Children with Physical, Visual, Hearing or Learning Disabilities as well as anyone with Autistic Spectrum Disorder.

Further information is provided [HERE](#).

AQUATICS ABERDEEN ACTIVITIES – ADDITIONAL SUPPORT NEEDS (ASN)

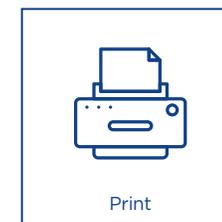

- PASN Classes – Pre-ASN level classes, for school-aged children, allowing a parent to be present in the water to help children learn skills more quickly by supporting the child and working with the teaching staff. Together a training programme is set that it best suited for the child. The child can move onto to ASN1 when they have basic swimming skills and confidence.
- ASN Swimming Lessons – Numerous levels available.
- One to One – Individual swimming lessons lasting 30-minutes with the prioritisation of people with ASN to support them towards mainstream participation wherever possible.
- Transition Squad – For individuals 8 – 16 years, with the ability to swim a minimum of 25 metres, who have a physical or sensory impairment.
- Autism Friendly Session – Bookable sessions for families with a child with autism. During these sessions a trained teacher is available to provide advice and support within a relaxed environment. Parents will be in the water during the session to support their child within the water.

For further information on how to book onto or explore the above activities click [HERE](#).
