TECHNICAL MEETING

The technical meeting will take place at **18:00 on Thursday 30th January** in the Diving Officials Room at Ponds Forge International Sports Centre.

DIVE SHEETS

Divers/Coaches are requested to submit dive sheets electronically, both for their own convenience and to minimize the chance of errors loading the data into the Recording program. Coaches may make bulk submission of dive sheets on behalf of their divers by using the program DiveSheets with which they will already be familiar. Alternatively, individual divers may submit their own dive sheets on-line. Please agree with your coach which method you should use. To submit your dive sheets on-line there are two options:

- Either visit: www.diverecorder.co.uk/onlinesheets and follow the instructions,
or
- if you have an Android phone or tablet, you can get the ADiveSheets app from this page on the DiveRecorder website:
www.diverecorder.co.uk/dive/android

As soon as you complete an on-line submission method, you will see a success/failure message.

If you experience problems and need assistance, please contact Jackie Laugher:
jackielaugher@yahoo.com

Electronic dive sheets must be submitted where possible. Electronic submissions must be made by 18:00 on Wednesday 29th January. You will be asked to sign hard copies of these sheets at the venue, available from the Recorders.

If neither you nor your Coach are able to use the above electronic methods, you can submit a hard copy of your lists of dives to the Recorders at Ponds Forge ISC.

If manual dive sheets need to be submitted, submissions must be by 10:00 on Thursday 30th January.

For late entries, please do not submit a dive sheet until the late entry has been submitted and processed.
